

# SPRING SUITS

New styles appear in our Garment Department as soon as in the center of fashion. Our connections with some of the largest makers of women's wearing apparel in this country helps us to keep in touch with Fashion's latest decrees and to secure the new styles for our patrons earlier than we otherwise would be able to do.

## IT IS POSITIVELY CERTAIN

that the Suit is to be the universal favorite in wearing apparel this season. Customers are already choosing from our carefully selected, well tailored line of Suits. Styles that are best are shown in worsteds, serges and novelty panamas in the new shades such as rose, reseda, electric blue, dark green, navy and others. Prices range from an all wool ombre striped serge, satin lined, silk trimmed suit at \$10.00 to the nattiest spring suits shown at \$30.00.

AN EARLY SELECTION GIVES YOU A LONGER SEASON TO WEAR THEM.

About thirty of the little children of the Methodist Sunday school gave Dodge and John W. Sowles a surprise party last Saturday. Included in the company were their Sunday school teachers, Mr. Ethorn and Mrs. Bishop, with their classes. The occasion was Dodge's ninth birthday, and a birthday cake, suitably inscribed, was presented him. The cake was eaten by the party, together with maple sugar on snow. The children were full of congratulations to Dodge when they went to their homes. They also left numerous presents.
